Tommy Williams Williams Financial Advisors

Fox Business Network
Wednesday, May 13, 2009

“Although retail sales numbers came in lower than expected, it’s still a positive indicator given the depth of the recession. This lower number is simply a stall in the overall recovery.”

- Tommy Williams

On May 13, 2009, Tommy Williams, President of Williams Financial Advisors, contributed to an afternoon segment of Fox Business Network. In this segment, he offered up his perspective on the current market environment.
